UNITED IN PRAYER!

The Most Precious Blood Prayer Line Ministry is dedicated to being in prayer with the members of this community. We believe in the power of prayer to enable us to experience the presence of God in our life challenges and joys as individuals and also as community. Please join us in this prayer ministry by requesting prayers and also by becoming a prayer partner.

Make your prayer requests any time: the Prayer Line is available 24 hours a day. Requests made are retrieved several times each day between 9am and 9pm, and then forwarded to the Prayer Partners. Each prayer request will be prayed over for 30 days unless otherwise indicated or until there is an update. This line is confidential so there are only a few coordinators who access this email and voicemail.

Do you feel called to become a prayer partner? Would you like to learn more about this ministry? To find out more about how to become a “prayer partner”, leave your contact information on the Prayer Line email or voicemail (see above) and we will contact you.
