Would you like to serve the meal you've prepared?

We welcome our providers to stay and serve the meal they've created. Please inform the Volunteer Coordinator if you plan to provide and serve when you schedule your date.

What to bring:

- We ask our meal providers to bring a main dish, side dishes, salads, any accompanying condiments (please ask about ketchup, mustard and dressings as we often have more than enough), and dessert as your budget allows.
- We try to encourage healthy balanced meals for our guests.
- A unified meal, rather than small amounts of many things helps the mealtime go smoothly.
- We do not currently have an oven on site. Equipment available: large warming cabinet, 3 large (18 quart) electric roasters, commercial hot plate, pots and pans.
 - The warming cabinet will hold hot items at a safe temperature until meal service
- The best containers for hot items are large rectangle aluminum pans.

Meal Ideas:

- Breakfast for Dinner
- Fresh Salads
- Homemade Soups
- Pot Roast/Beef Stew
- Taco Bar
- World Cuisines –
 - Indian
 - Chinese
 - Thai
